Need to inform you about a central station event this weekend. We will need some extra coverage and power washing on Saturday

Nathan Ziadie

Got it! We'll coordinate the crew. What time does the event start?

10am and ends 2pm. There will be folks all day

I will get some support for you from LAPD

Hi. Is this event at LAPD happening Sat and Sun?

Sat

Chris Hillman

Ok thanks

Nathan Ziadie

Just an FYI. We're all set on the pressure washers. And there will be additional crew there as well. So we should be covered for Saturday

Thank you so much

Hi please need exact times. - LaPd reset team can assist but once they clear the area we would need to move in right away

Safe to say 9:00am and 1:00pm?

(For around the station)

Nathan Ziadie

We're making sure every crew member has safety's number saved in their phone as well.

Great. But I do need to give them a set tone

Time

Nathan Ziadie

Sounds good. 9:30am and 1:30pm are good set times.

Nathan Ziadie

They are for sure there at 9:30am and again 1:30pm. Those are more exact times.

Perfect thank you
